Unforgettable

The course of a lifetime
Will take many people away from you,
And the little annoying things
That drove you mad
Are now the most precious little
Things about him
That you miss so dreadfully.

Forget about
The fight you had the day before,
Or the unforgiven words
That might have passed one's lips.
For he is at ease right now.
Through it might take some time
For you to scar (nobody ever
Heals completely)

Don't think about the way in which
He died.
Just remember the way in which
He lived.

For you have memories,
And as long as you live,
Nobody can ever, ever take those
Away from you.

Light of the Forest

Green of trees as the sun shines down
Light of the forest
Birds fly free, fairy of the spirit, walk the Garden
of Green
Light of the forest
Love of heaven shines green of life she brings
Light of the forest
Time when all began God gave life, touch of his
mighty hands, life of man Light of the forest
As love of heaven shines

"SHADOW OF THE DARKNESS"

THE SHADOW OF THJE DARKNESS OF MY
FUTURE HAS PAST.
MY LIFE IS DROWNING IN SORROW
IN PAIN
IS FILLED WITH GUILT.
MY LIFE HAS PAST ME BY AS I GO BACK IN
TIME WHEN NOBODY WAS AROUND.
IN THE SHADOW OF THE DARKNESS I'M
SCREAMING
IN THE DISTANCE
ECHOING IN THE DISTANCE.
AS MY LIFE PASSES ME BY I FEEL THE PAIN
OF MY HEART
IN MY THROAT
TRYING TO RUN AWAY FROM IT ALL.
IN THE SHADOW OF THJE DARKNESS
THE SORROW OF MY PAIN IS GONE.
