CELEBRATING INCLUSION & ACHIEVING INDEPENDENCE DINNER

THURSDAY, APRIL 16, 2020 • SRC ARENA - ONONDAGA COMMUNITY COLLEGE

Celebrating Inclusion and Independence at ARISE!

ARISE is a non-profit Independent Living Center working to create a world where all people, regardless of disability, have the power to make their own life choices and achieve their dreams. One of NY State's eight original Independent Living Centers, ARISE was founded in 1979 by people dedicated to the idea that people with disabilities should have equal rights. As a result, ARISE is an active part of local, regional, state, and national efforts to promote the independent living philosophy.

ARISE is unique. As a cross-disability organization, many of ARISE services are available to people of all ages who have all types of disabilities, including mental health needs.

With more than 400 staff members who advocate for the interests of people with disabilities, ARISE employees work to deliver over 50 different programs and services to children and adults in several broad areas including:

- Advocacy & Accessibility
- Education, Employment, & Skill-Building
- Health & Wellness
- Recreation & Art

At our upcoming 7th Annual Celebrating Inclusion & Achieving Independence Dinner, we hope that you'll join us as we celebrate such a huge milestone! Your support of this event will help sustain the future of ARISE at the Farm as a place for fun and freedom for all!

ANNUAL DINNER EVENT • THURSDAY, APRIL 16, 2020 • SRC ARENA - ONONDAGA COMMUNITY COLLEGE

Celebrating Inclusion and Independence!

ARISE

As a non-profit, community-based organization we work to ensure that everyone, regardless of disability, has the power to make life choices and achieve their dreams.

Since 1979, we have provided opportunities so that people with disabilities can live freely and independently in the community. We base everything we do on the independent living philosophy, the belief that people with disabilities have a right to self-determination – the freedom to make choices and work toward achieving personal goals and systems change.

As a designated non-residential Independent Living Center, we are organized and directed by people with disabilities. Many of our services are available to people of all ages who have all types of disabilities.

Each year, ARISE serves more than 7,000 people from our offices located in five Central New York counties: Onondaga, Oswego, Madison, Cayuga, and Seneca.

The ARISE Foundation was formed to ensure that ARISE can continue to provide extraordinary services for people with any disability – both today and tomorrow.
