

ARISE & PPL: Strengthening CDPAP for You

ARISE is excited to be an approved facilitator for the Consumer Directed Personal Assistance Program (CDPAP).

We will be partnering with the new statewide fiscal intermediary, Public Partnerships LLC (PPL), to make sure you continue receiving the best care from your trusted personal assistants.

What This Means for You

- Your eligibility for CDPAP and the services you receive will stay the same.
- Services to consumers and payments to personal assistants will continue without interruption.
- We will make sure you continue receiving care and services in the ways that matter to you.

What You Need to Do Now

You will need to transition to PPL by **March 28, 2025**. You can work with ARISE to complete the process.
